

AMS Campus Activities Bursary

The purpose of the Campus Activities Bursary is to enhance the financial accessibility of Campus Activities Commission (CAC) events for all AMS members. The bursary is designed to subsidize, partially or in full, the more expensive participation fees required for some CAC events where a student would otherwise be unable to participate for reasons relating to financial hardship.

The personal information on this form is collected for the sole purpose of selecting recipients for the 2017/2018 Campus Activities Bursary. It shall be viewed only by the Campus Activities Commissioner and the Vice President (University Affairs). Applications shall be destroyed no later than April 30th 2018.

Please submit a completed application form to campus.activities@ams.queensu.ca OR the AMS Front Desk either BEFORE or WITHIN TWO BUSINESS DAYS of registering for the event in question.

Please contact Devon Laflamme, AMS Campus Activities Commissioner, with any questions at campus.activities@ams.queensu.ca
