Purpose

The purpose of this policy is to consolidate all club policies formerly found in Policy Manual 1 and Policy Manual 2. This document will serve as a centralized resource explaining all rules that must be followed by new clubs, existing clubs, clubs seeking to be ratified and the policy for de-ratification of existing clubs.

Terminology and definitions

“Queen’s Club” means a student-run group formed by a minimum of five students, approved by the Ratification Review Committee and ratified by AMS Assembly to provide opportunities for meaningful participation and engagement for students and members of the Queen’s and Kingston community. Queen’s clubs are bound by the mandate, policy and constitution of the AMS. Two Queen’s Clubs may not be in existence that provide the same service and opportunities in the same manner unless otherwise approved by the Ratification Review Committee.

“Club Member” means a Queen’s student who has full rights as a part of a club they have willingly joined. All club member behaviour is a reflection on the entire club. Club executives shall keep a detailed, up-to-date record of all club members, including, but limited to their name and position.

“Club Volunteer” means non-Queen’s students who assist in club affairs but do not host, manage, vote, or create club activities, events and policies. Clubs that have volunteers must have policies within their constitution to outline a volunteer’s relationship to the club. Club executives shall keep a detailed, up to date record of all club volunteers, including their name and relevant affiliation. Volunteers are part of the group on their own volition.

“Club Participant” means students of Queen’s or non-Queen’s students who attend an event hosted by a club but have no other relationship with said club. Participant’s actions are their own and do not reflect the club. Participants are part of the group on their own volition.

“Club Event” means any activity that seeks to fulfill the mandate of a club yet surpasses the daily operational functions such as a club meeting. This includes, but is not limited to, any event that involves physical activity, food, alcohol, and transportation. Any club event must be pre-approved through participation in the event sanctioning process. Clubs are eligible to submit one event sanctioning form for all recurring events.

“Probation” means temporary de-ratification and the removal of all privileges therein associated.

“Ratification Review Committee” is used to explain the committee that oversees the fall and winter ratification process, and the spring re-ratification process. This committee is chaired by the Director of Clubs and is composed of the AMS General Manager, Vice-President of University Affairs, and Assistant Director of Clubs.

“Space Allocation Committee” is also chaired by the Director of Clubs and the AMS General Manager, SLC Managing Director, Assistant Director of Clubs and the Vice President University Affairs sit as voting members. This committee convenes once a year in April and governs the allocation of designated Queens Clubs space.

“Bursary” is a sum of money that can equal up to \$100 allocated by the Director of Clubs to a club member based on financial need. The bursary is designed to subsidize the partial cost of the event/initiative. Only the Director of Clubs sees bursary applications and the entire process is confidential.

“Grants” can be applied for during the Summer/Fall/Winter terms to help offset the cost of club initiatives. The Club Grants Committee chaired by the Director of Clubs and sat on by the Assistant Director of Clubs, the AMS General Manager, the Vice President of University Affairs, a member from Assembly and a member from Board convenes 3 times per year to determine the amount given to clubs. There are two main grants on campus, the New Clubs Grant which can be up to \$100 awarded to only new clubs, and the Clubs Experience Grant.

Statement

By creating this policy and streamlining the processes that must be followed by clubs, it is the expectation of the AMS that it will be easier for clubs to understand their relationship with the Clubs Office and the AMS. In the past, there has been dispute over what policies pertain to clubs and where to find them. By creating one centralized document, clubs will be able to access regulations more easily, and will be better equipped to understand the requirements of being an AMS club. This document will act as the foundation for all club related matters and will be kept with the most up-to-date amendments.
