## **Eligibility for Application Approval**

### ***Required***

- Applicants must show, using qualitative or quantitative evidence or justification, that the project will improve accessibility at Queen's and that the project is not required to be done by law by the organization.
- 
- Applicant and/or group must show satisfactory evidence of external/public credibility and have an adequate organizational structure. This will include evidence of financial plans and controls.
- Applicant organizations must be non-profit and they must not already receive operational funding from the AMS for the event/activity under consideration.
- Applicants must ensure that funding is applied to the approved project or be returned to the Accessibility Queen's Fund. The project description must include a structure plan and schedule.
- Applicants must demonstrate financial need and must provide a cost-effective budget for the proposed project
- Applicants must provide evidence of efforts to obtain assistance from other sources.
- Applicants must be prepared to provide public recognition of the assistance provided by the AMS if requested to do so.
- Applicants must agree to be bound by the Queen's Code of Conduct.

### ***Preferred Selection***

- Although activities targeted outside of the University community will be considered, activities which show the greatest benefit to students will be favoured.
- Although non-students may apply for the grant, preference will be given to student initiatives.
- The intent of the AMS is to provide seed-funding without any ongoing commitment (presumed or otherwise) to applicants. Projects which have received funding in the recent past which are not experiencing any significant changes will not be favoured.
- Evidence of confirmed partial funding will be viewed more favourably as would those which are part of matching grant proposal.

**Applications are due by 5pm on October 22nd by email to
