2.1.2 The mandate of the Society shall be:

- I. to represent Queen's students within the University and externally by working to further the best interests of the members of the AMS, giving particular concern to representation on issues related to education;
- II. to provide services and activities to students, as well as to act in a facilitating role for services and activities, where appropriate;

Section 3.03 Student Activity Fees

3.3.1 There shall be no dues or fees payable by Society members except those established by referendum.

3.3.2 All student activity fees, unless exempted by Assembly as funding an essential service, shall be subject to a triennial review in accordance with the Society policy on student activity fees.

3.3.4 In the case of (III), the Elections Team shall include the wording of subsection 3.3.1 and 3.3.2 alongside the referendum question. Notwithstanding subsection 4.1.12, Assembly shall not have authority to adjust these referendum questions. Part 4: ELECTIONS AND REFERENDA

Section 4.01 Elections and Referenda

4.1.1 The Society shall conduct elections and referenda to ensure direct participation of students in the processes of student government. The executive election shall be conducted yearly in January while other society elections shall be run by the society as required. Referenda shall normally be held in both the fall and winter terms and otherwise as needed. Questions on a referendum ballot may include binding student activity fee and non-fee related questions.

4.1.2 There shall be a provision for the placement of non-binding questions on the AMS referendum ballot which shall be known as Plebiscite Questions. The purpose of such questions shall be to survey AMS undergraduate opinion or gauge support in relation to a specific issue, policy, proposal or advocacy position.

4.1.3 There shall be an Elections Team under the AMS Secretariat responsible for conducting and overseeing all society wide elections and referenda processes. The Elections Team shall consist of the following individuals whose duties are elaborated in AMS Policy on Elections and Referenda:

- I. The Chief Electoral Officer (Chair)
- II. Elections Deputies

4.1.4 The Chief Electoral Officer shall bear ultimate responsibility for all Society elections and referenda and shall serve as the chair of the Elections Team.

Complaints must be in writing and must be brought forward within the timeline stipulated in Society policy on Elections and Referenda.

4.1.6 A referendum on any issue within the purview of the Society or the member societies may be called at any time by the Assembly or by any member of the Society. Questions may be placed on the referendum directly by the Assembly, or by a written request from any member of the Society to the Elections Team that is supported by signatures of at least five per cent (5%) of current Society members, subject to the provisions of Sections 4.01.10, 4.01.11 and 4.01.12.

4.1.7 Assembly shall be notified of all student activity fee questions to be placed on the referendum ballot, the purpose and intent of the fees, and of all groups who failed to meet the validation requirements and why through a written and oral report given by the Vice President Operations at the Assembly immediately following the nomination period. Assembly shall reserve the right and the authority to reject any student activity fee question to be placed on the referendum ballot at the Assembly meeting immediately following the nomination period. Assembly shall only exercise this authority if there is clear and sufficient evidence brought forward that the fees were not properly vetted during the validation period.

4.1.8 The placement on the referendum ballot of questions that are not student activity fee based shall be subject to Assembly approval. Normally Assembly shall approve any question that has garnered sufficient signatures in support. However, Assembly shall retain the authority to reject any question where it finds compelling reason to believe that the passage of the question would constitute a violation of the mission or operating statement of the Society; a violation of law; a contravention of University policy; a violation of contractual, financial or other obligations undertaken by the Society; or would otherwise pose a significant threat to the best interests of the Society or be injurious to the welfare of the Queen's undergraduate student body. Any such rejection shall require a two-thirds (2/3) vote in support from all voting members of the Assembly.

4.1.9 The wording of all questions to be placed on any Society referendum shall be subject to the approval of the Assembly. Assembly shall have the authority to remove or amend misleading statements or extraneous promotional content; correct errors of fact; and edit technical errors of spelling and grammar. Assembly shall not have the authority to fundamentally change the substance of a question or the amount, in the event of a fee question.

4.1.10 Notwithstanding section 4.1.9, the wording of student activity fee questions shall be

subject to the Society Policy on Elections and Referenda.

4.1.11 Policy-based referenda decisions shall bind Assembly policy, but shall not bind the policy of member societies unless so provided in the individual constitutions of the member societies.

4.1.12 The AMS Judicial Committee shall, in all cases, be the only level of appeal for all decisions/rulings made by the CEO regarding all Society elections and referenda.

Part 5: ASSEMBLY

0-2.99% - 0

5.1.3 Should there be a substantive increase or decrease in projected enrolment numbers that would materially affect the number of representatives allocated to a member society released after the composition for the next year has already been determined as explained in 5.1.2, the new numbers will be taken into account and an adjustment may be made.

5.1.4 Representatives from the member societies shall be elected in a manner determined by the member society.

- I. the Speaker, who shall be elected by the Assembly in accordance with Society Policy. The Speaker shall chair all meetings of the Assembly, and shall enforce the Assembly Rules of Order;

The Assembly has full power, within the restrictions of this Constitution, to create, alter and/or terminate any policy or policy statements, which are considered to be Society Policy, and to deal with any reports, recommendations and/or conclusions of any groups, committees and organizations which fall within the purview of the Assembly.

5.2.2 Without in any way restricting the generality of the foregoing, the Assembly shall aim to fulfil its mandate by debating and dealing with any reports, including their recommendations and conclusions; with motions, as submitted by the Government Caucus, Assembly or the student body at large; with policy decisions regarding the official stance of the Society on any issue within the purview of Assembly; and with granting allocations for all moneys assigned to grants in the current Assembly Budget. The Assembly shall also be empowered to direct the Executive and/or the Government Caucus to represent the Society where it is deemed necessary, and to carry out various duties in the interest of the student body. Any financial budget associated with these directions would need to be approved by the Board.

5.2.3 The Assembly shall be directly responsible for the actions and activities of the various commissions, all Assembly committees, and any groups or organizations as outlined in this Constitution and which are within the jurisdiction of the Assembly.

5.2.4 The Assembly shall participate in the affairs of the Society carried out by the Corporation only as provided for in this Constitution and the By-laws of the Corporation. For greater certainty, the Board is the ultimate decision-making body for the Corporation.

5.2.5 The Assembly shall delegate responsibility for the oversight of AMS General Office to the AMS Board of Directors. The Chair of the Board shall be responsible for reporting to Assembly on any and all actions undertaken by the Board in the fulfillment of this delegated responsibility.

Section 5.03 Election and Removal of Assembly Members

5.3.1 With the exception of the President and Vice-Presidents, the members of the Assembly shall be designated by their respective faculties/residence committees according to the rules and regulations for the designation of Assembly members, as specified by the faculty societies/residence committees.

5.3.2 Each Assembly member is expected to act in the best interest of all AMS members.

5.3.3 All Assembly members are subject to removal on the following grounds:

- I. absence from four (4) or more duly called meetings;
- II. just cause;
- III. Ineligibility to be a member.
- IV. Failure to pay faculty and AMS membership fees.

5.3.4 Members of the Assembly can only be removed from the Assembly by the faculty society/residence committees which they represent, according to the procedure for removal which governs that faculty society/residence committee. The Speaker of the Assembly, however, is charged with formally notifying both Assembly and the appropriate faculty society/residence committee of a voting Assembly member's breach of subsection 5.3.3. Furthermore, the Assembly and/or the Speaker of the Assembly may make recommendations to the respective faculty society/residence committee so that appropriate action is taken.

5.3.5 Notwithstanding that, by virtue of subsection 5.3.4, Assembly members may only be removed from the Assembly by the faculty society/residence committees which they represent, upon notifying the Assembly of a voting Assembly member's breach of subsection 5.3.3 the Speaker shall move a motion, which has had proper notice, that the offending Assembly member's voting rights be denied. Such a motion does not require a seconder. If such a motion is approved by a majority of the Assembly members present and voting then the offending Assembly member shall be denied their vote from there forward. An Assembly member denied their vote in accordance with this subsection shall retain all other rights associated with Assembly membership but shall not be counted in quorum. The Assembly may reinstate at any time in the future an Assembly member's vote which has been denied.

5.3.6 Subsection 5.3.4 does not apply to the Executive of the Society, whose removal from office is governed by Part 2.

Section 5.04 Assembly Meetings

5.4.1 The Assembly will meet at least eight (8) times during the course of the fall/winter academic terms, September to April. Meetings will be held in accordance with the Rules of Order as outlined in Assembly Policy

5.4.2 The meetings of the Assembly shall be open to the public, however, there shall be recourse to move to a closed session if so decided by a majority of the members present.

5.4.3 Assembly members may vote at meetings by proxy if permitted by the constitutions of their member societies/residence committees.

Section 9.02 AMS Judicial Committee

9.2.1 There shall be an AMS Judicial Committee which shall be the adjudicative panel of the undergraduate student body, and which shall exercise jurisdiction over matters of inappropriate behaviour concerning or involving undergraduate students that adversely affect the interests and responsibilities of the University community. The Committee shall exercise authority over any breach of the Queen's University Student Code of Conduct, this Constitution or any violation of an appropriately published non-academic rule or regulation of the University or the Society.

9.2.2 Insofar as the Judicial Committee is only one of several non-academic disciplinary bodies within the university it shall not consider certain kinds of cases identified as better suited for a different jurisdiction. Specifically, the Judicial Committee shall not hear cases of blatant discrimination (sexual, racial or otherwise), harassment, sexual assault, serious assault of a non-sexual nature, use or possession of weapons (as defined by the Queen's University Weapons Policy), and murder, unless referred to by the Senate Committee on Non-Academic Misconduct. The AMS Secretary of Internal Affairs shall have the discretion to adjust procedural timelines appropriately for cases where a student's graduation is imminent or where a respondent would be simply unavailable for a case e.g. the student faces an excessive burden to travel. Any procedural adjustments shall entail consultation with the Judicial Affairs Director and the Judicial Committee Chair.

9.2.8 The AMS Judicial Committee shares administrative resources with the AMS Secretariat but is not to be considered part of any Society Commission, and shall remain as independent as possible of all other functionaries of the Society.

9.2.9 Disciplinary decisions rendered by the AMS Judicial Committee may be appealed to the University Student Appeals Board (USAB).

Section 9.03 AMS Judicial Affairs Office

9.3.2 The AMS Judicial Affairs Manager shall be responsible for initiating a proceeding before the Judicial Committee, on behalf of the Society, any member of the Society or any member of the public (including, without limiting, the faculty and staff of Queen's University), where the AMS Judicial Affairs Manager reasonably believes that there has been a violation under section 9.2.1 of this constitution.

The Assembly Budget shall be approved by the Assembly and the Assembly shall be responsible for ensuring that it is properly adhered to through the Assembly Finance Committee. Such action taken by the Board shall be binding on the Assembly and the Society.

17.1.3 To ensure accountability over the summer, and in recognition that the incoming Senior Management Team has little time to prepare a budget, Senior Management shall endeavour to adhere to spending consistent with the year prior, as monitored by the Executive. 17.1.4 The General Office Budget shall include those matters associated with the Offices and the day-to-day operations of the General Office along with the operations of the Board of Directors. 17.1.5 The Corporation Budget shall include those matters associated with the services and the full-time employees. The Corporation Budget shall be approved by the Board and the Board shall be responsible for ensuring that it is properly adhered to through the use of the Finance, Audit and Risk Committee.

18.1.3 It is recommended that the by-laws of the Corporation provide that the elected directors to Board assume office within three (3) weeks of the Corporate General Meeting, the exact time to be at the discretion of the prior Chair. The incumbent Executive shall remain as Directors on the Board and as Officers of the Corporation, until the close of the fiscal year.

18.1.4 The Executive, prior to the election of their successors, shall ensure that the Transition Manual is up to date. Further, during the Transition period, the Executive-Elect shall refer to said Transition Manual.

18.1.5 Considerations set out in this constitution that reference the Executive, including, but not limited to, Section 2.2, Section 2.4, Section 6.3 and Section 6.11, shall apply where reasonable and as appropriate to the Executive-Elect.

Part 19: AMENDMENTS

Section 19.01 Amendments

Proper notice of such motion to amend need be given. Amendments may also occur at a Society Annual Meeting or Society Special General Meeting. No motion shall appear for a second reading before an Assembly that did not vote on the first reading, nor shall a second reading take place in a different academic year than the first reading.

19.1.2 Amendments required because an organization referred to in this Constitution has undergone a name change, become defunct, or has otherwise left the AMS, shall be considered housekeeping and may be entered as a matter of course by the AMS Secretariat. The AMS Secretariat shall notify Assembly of any such amendments.

19.1.3 All amendments or changes to this Constitution shall be featured on the AMS website as soon as possible after they have taken effect. The amendments will be published as a supplement to this Constitution on at least an annual basis.

19.1.4 Until such amendment is given effect, this Constitution shall remain in force and be binding upon the Society as regards any party acting on the faith thereof.
