

We are very excited to announce that we are once again accepting in-person event sanctioning applications through our AMS Website. Please note, that while we are opening this now, events taking place from March 5th and beyond will be approved. We will not be approving any events the first week back from Feb 28th to Mar 4th as there is definitely already a lot going on as we all get back on-campus.

Please keep an eye out for news from Clubs Commission and Student Life Centre about space re-opening.

Please read this document before pursuing any in-person event submission:  [Winter 2022 AMS Event Sanctioning.docx](#)

It will be regularly updated throughout the term. Please direct any questions to events.sanctioning@ams.queensu.ca
